DECLARATION

Hereby I declare, that in paper Helminiak, K., Graczyk, D., Konacki, M. et al. 2015, MNRAS, 448, 1495, "*Orbital and physical parameters of eclipsing binaries from the ASAS catalogue - VIII. The totally eclipsing double-giant system HD 187669*", I undertook part of photometric observations with PROMPT.

A handwritten signature in black ink, appearing to read "Dan S. Reichart", with a long horizontal flourish extending to the right.
