

STANDARD SCOPE

MEDICAL SERVICE	LIMIT
BOOKING HEALTH SERVICES	
Access to a 24-hour helpline – booking the date for medical services using a dedicated PZU helpline. The helpline also provides information on the services rendered in the specific medical units, as well as on the territorial scope of home visits.	24/7, unlimited
SMS SERVICE	
Confirmation of the dates of services provided via SMS.	Free of charge, unlimited
<p>OUTPATIENT CONSULTATIONS</p> <p>Outpatient consultations are carried out without referral. They are rendered during the opening hours of medical centres as stated by the health care provider and in accordance with the current schedule of the centres. They can cover the following, in accordance with the specialty profile: physical examination of a patient, patient interview, making a diagnosis, recommendations related to the treatment method, issuing e-prescriptions, e-ZLA and referrals related to further diagnostics and treatment.</p> <p>We do not organise and do not cover the costs of consulting medical doctors with a PhD, habilitation or professor academic degree.</p> <p>In the event that the person entitled to claim benefits is a child below 15 years of age, the organisation of an outpatient consultation depends upon its availability in a specific localisation.</p>
