20 March 2017

To Whom It May Concern:

I hereby declare that in the paper Graczyk, Smolec, Pavlovski, et al. 2016, A&A, 594, 92, "A solar twin in the eclipsing binary LL Aquarii", my part was to perform analysis of the evolutionary status of the LL Aquarii system using GARSTEC models, and to write Section 5.3, and to prepare some figures.

Yours faithfully,

-Pierre Maxted
Reader in Astrophysics, Keele University
